

REMARKS

In response to the Examiner's request in the Office Action dated May 18, 2006, enclosed herewith is a substitute specification – a clean copy of of International Patent Application No. PCT/EP03/03195, published as International Publication No. WO 03/080608.

The specification has also been amended to indicate that the subject application is a §371 of PCT/EP03/03195, filed March 23, 2003.

Entry of this Supplemental Amendment after Final Rejection is respectfully requested. The amendments presented herein place the subject application in condition for allowance. If the Examiner has any remaining objections or concerns, the Examiner is respectfully requested to contact Applicants' undersigned agent to resolve such issues and advance the case to issue.

Respectfully submitted,
